**Bolton & Co. and Markel would
like to invite you to a webinar**

Bolton & Co. Webinar featuring Markel's Manufactured Home Program

Recently we announced the release of **Markel's MAGIC system** – an online mobile home quote & issue and maintenance program. What does this mean for you? Instant policy issuance, bill paying and underwriter communication. You now have the ability to issue mobile home policies and provide a copy to your insured while they are in the office.

Because this change also signals the beginning of online submission, Markel will be providing an interactive 1-Hour web training class on **Wednesday, April 14 and Thursday April 15 at 10 AM (EST)**. This class is being offered specifically for Bolton & Co. agents that write this lines of business. We will have members of our staff online also to answer any Bolton & Co. specific questions.

To reserve space, please email Chris Allgeier (chrisallgeier@boltonmga.com) the following information:

- **Agency Name**
- **Names and Email addresses of those participating**
- **Wednesday, April 14th 10 AM (EST)**
Thursday April 15th 10 AM (EST)
- **# of phone lines you will be calling from**

Please Note:

For multiple participants, we recommend attending as a group from one computer and listening via speakerphone. Prior to the class date, you will receive an email confirmation with the web address and call-in information.

Please contact Chris Allgeier (chrisallgeier@boltonmga.com) at Bolton & Co. if you have any questions.
